Hi Maria:

I just received a bounce-back that Will is out until Thursday, so figured I'd best forward this to you as well.

We had an interesting chat with Will and Letty et al. on Friday about the EWA, enforceable objectives, etc.

Best,

Hal

Dear Letty, Will, Eileen and Mike:

Many thanks for making the time to speak with us on Friday about BDCP. Since you expressed interest in how our groups might respond to today's release of the Draft Plan and draft EIS/EIR, I wanted you to be among the first people to receive our joint statement (attached): this 3-page press release was approved by The Nature Conservancy, American Rivers, Defenders, NRDC and Bay Institute and is being

circulated as we speak by the individual groups. Please let us know if you have any questions.

Also, can you send us the Federal press release that you said would be coming out today? Many thanks,

Hal
